

N° 002/2026

The Alliance for Responsible Mining (ARM) certifies that:

Gold by Gold SA

with ID: FR20003

and business register n° FR53384229753

Contributed to best environmental and social practices in artisanal and small-scale mining by purchasing **10,500 Fairmined Credits** from the certified mine **Los Conquistadores** in Colombia.

This purchase supported the responsible, certified production of **10.5 kg** of Fairmined gold.

The Fairmined Credits purchased contributed to investment in continuous improvement and sustainability actions as part of the following Fairmined Premium Investment Project:

**Technical advisory services for the development of a mining sustainability plan to meet the requirements for the recertification process.**

Claims related to the purchase of Fairmined Credits can be made as a part of the company's Alliance for Responsible Mining Membership.

Date of issue: 25 June 2026

Gina D'Amato

ARM Executive Director

**GOLD TO BE PROUD OF**
